2. [ChillZone Frontend](#)

Chillzone helps students looking for an empty room during class hours in IIT Kharagpur by giving them a list of the rooms that are free in the various classroom complexes. Chillzone also shows the list of rooms that will be free for the next slot as well, which is useful for students who have a 2 hour break between classes.

Ambar

[Ambar](#)

Ambar is the **gender and sexual diversity resource group** for the Lesbian, Gay, Bisexual, Transgender, Queer and Questioning ([LGBTQ+](#)) community residing in IIT Kharagpur Campus and/or officially associated with IIT Kharagpur. It comprises mainly of, but not limited to, current students, alumni, staff, and family of staff. The group also welcomes straight allies to join and support it.

Constitution

Constitution of the Technology Students' Gymkhana

A constitution is a set of fundamental principles or established precedents according to which a state or other organization is governed. IIT Kharagpur has a vast history and student community needed some proper guidelines so that the student smooth functioning can be ensured and hence the Gymkhana constitution came into existence.
